Message to families: Send out Friday 11/13

Hello Vaughn Families,

Over the next few weeks students in 1st -5th grades will be taking district assessments. The first assessment is an interim. This test is administered at different intervals during the school year to check students' grasp of content and guide future instruction. The second assessment is the i-Ready diagnostic. This assessment is designed to provide teachers with actionable insight into student needs. Diagnostic results set a personalized learning path for each student, ensuring they're working on instruction that matches their unique learning needs. To support your student with being prepaid please be sure students get a good night's rest, eat a healthy breakfast, and are logged into class on time. Due to these assessments being used to guide your student's instruction, please do not help them. At times the assessment may be difficult for your student and that is okay. Please see the Vaughn website or Facebook page for each grade level's testing dates and times.
